Welcome to week 6 already!!!! The term is flying past at an alarming rate and we have been super busy in our classrooms.

CLASSROOM RESTRUCTURE

As of next week, classrooms and administration areas will change at the school. Mrs Rodgers will be moving down to the 3-7 teaching block to allow for our integrated classrooms. By having both classrooms together, it allows us to work co-operatively, with students working in ability groups. We have been working successfully this way since the beginning of the year but we know that we can do it even better with all of the teaching staff working from the same area. This also frees up the administration area to allow our administration officer David Maike to have a larger working space as he will move into the room that is currently being used as the computer lab. In turn, that gives the Principal a private workspace and allows room for privacy when speaking to parents or other visitors that come to the school. Mrs Neubecker will move her art and science equipment into Mrs Rodgers ‘old’ room and will conduct her lessons out of there. Music will also operate from that room. The staffroom will move to D block, which is the tuckshop area. That will then free up the wet area to create another classroom space. So as you can see, it is all very exciting, but lots of hard work.

P&C 2014

Congratulations to the new executive for 2014. It was fantastic to see so many come along to the AGM and show their support of the school. I can assure you that as a new Principal, it meant a lot to see you all there, so thank you. Our committee for 2014 is:

- President: Ian Holloway
- Vice President: Jason Williamson
- Secretary: Sarah Pratt
- Treasurer: Peter Goudie
- Assistant Treasurer: Vera Owen

LEADERS MEET LEADERS

By Rebecca Stone and Joanne Holloway

On Tuesday, the seniors, Rebecca and Joanne went to have lunch with the Mayor of Bundaberg to learn how to be great leaders of the school. Some Councillors introduced themselves in a presentation. They all had divisions. We introduced ourselves like all of the school leaders did from all other schools. Finally everyone had lunch before going back to school.

WORKING BEE

This Sunday 9th March, P&C are having a working bee at the school to assist us with our big move. We would really appreciate any assistance you can offer. We need trailers to cart rubbish and lots of manpower to assist in moving classrooms and resources. The school will provide a sausage sizzle for lunch. We will aim to start at 8am and hopefully be finished by lunchtime. We hope to see you all!
Easter Theme Free Dress Day

Friday 21st March

Bring a Chocolate Donation

Please take the chocolate donation to the office as soon as you get to school in the morning.

Have some fun as we near the end of the first school term & dress up in an Easter theme. All chocolate donations will be used by the P&C to make up the prizes for our Easter Raffle.

Thank you for your support!
FREE DRESS DAY

Please note that even though it is a free dress day, students will still be required to wear closed in shoes and a shirt with sleeves.

NEW SERVER

This Thursday and Friday, the school will have no internet access due to our server being replaced. We will have telephone service as normal but will not be able to access emails.

GOOSE CLUB ROSTER

Please consider giving up some of your time to assist us in selling our Goose Club tickets at the Tavern on Friday nights. I will enclose a roster in the newsletter for you to fill in which night’s suit you.

LIFE EDUCATION

Harold will be visiting our school next Tuesday the 11th March. Please read the attached letter for more information. The cost for Harold’s visit is $5:00 per student. There is also an opportunity to purchase Life Education items, but these will need to be pre-ordered. Orders and payment can be returned to school in the envelope provided. Please return payment to school as soon as possible.

SWPBS

As part of our School Wide Positive Behaviour Support – (SWPBS), we are implementing Students of the Week awards to celebrate the great work happening in our school. This fortnight I am pleased to announce our award recipients.

Students of Week 5

Science Award: Corban Shearer
Students of the week: Maddison Goudie, Robbie Ryan
Resposibility Awards: Carly Handford, Bonny Turner

Students of Week 6

Student of the Week: Lillee Gadsby
Author’s Award: Logan Heath

Statements of Support

As you may be aware, there is currently a High Court challenge which is threatening Government Funding for school chaplaincy. In our school, Chappy Kelli has proven to be a wonderful asset, and there are thousands of others around Australia who do the same in their school community. In show of our support for our School chaplaincy program and our fantastic chappy Kelli, we have been invited as a school community to come along to a ‘Back our Chappies’ media event at the Bundaberg North Primary School oval between 3:15pm and 4pm on Tuesday the 25th of March. Food and drinks will be available as well the opportunity to sign a statement of support if you have not already. We are asking families in support of our school chaplaincy program to go along and represent our school in support of the wonderful work our Chappy Kelli does. Our school chaplains play a vital role in supporting our school communities each and every day and especially during the floods last year, we would be lost without them. Let’s not let this important opportunity pass to show our community just how valued our Chaplain is.

Judy White
Principal
