BRING HOME A BIG BROTHER OR SISTER
AND BRING FRENCH CULTURE TO LIFE!

Why not volunteer to host an international student from France next year? We have a small group of delightful French students coming to Australia for 10 weeks to immerse in local Australian culture, experience our High schools, sports, environment and lifestyle. All the French students are around 15 years old, speak excellent English, have their own spending money, cover all school expenses, and we arrange all aspects of their program. They are looking forward to joining an Australian family for a short term.

It’s fun and interesting to help these young people achieve their Australian dream. If you’d like know more, please email your interest to Rob at Inter Cultural Management on rl@scce.com.au
